

74° Congresso SISVET

Società Italiana delle scienze Veterinarie

ANIV

23 Giugno 2021

10.30-11.30

POSTER SESSION

Moderatori:

Prof. Piera Martino

Prof. Andrea Balboni

ID EASYCHAIR	Authors	Title
19	Giusi Macaluso, Ilenia Giacchino, Valeria Blanda, Marilena Alfano, Anna Candela, Antonina Tagliarini, Alessandra Torina and Giuseppina Chiarenza	Detection of Brucella DNA in serum of seropositive cattle and sheep from South Italy (Sicily): preliminary results
20	Francesca Gucciardi, Giusi Macaluso, Santina Di Bella, Antonio Lastra, Calogero Castronovo, Pietro Niutta, Annalisa Guercio and Giuseppa Purpari	Serological survey of Hepatitis E Virus in Cattle in Sicily: a zoonotic perspective
42	Elisabetta Coradduzza	The genetic variability of ORF virus in Sardinia
45	Valeria Listorti, Paola Modesto, Chiara De Ciucis, Walter Vencia, Maria Concetta Pugliano, Walter Mignone, Enrica Berio, Chiara Masotti, Carlo Ercolini, Laura Serracca, Tiziana Andreoli, Monica Dellepiane, Daniela Adriano, Simona Zoppi, Daniela Meloni and Elisabetta Razzuoli	Evidence of antimicrobial resistance and presence of pathogenicity genes in Yersinia enterocolitica isolate from wild boars
59	Loredana Cozzi, Teresa Vicenza, Roberta Battistini, Chiara Masotti, Elisabetta Suffredini, Simona Di Pasquale, Carlo Ercolini and Laura Serracca	Preliminary assessment of antiviral activity of natural compounds against murine norovirus
108	Antonio Marco Maisano, Giulia Quadri, Simone Bariselli, Fausto Vezzoli, Giorgio Varisco, Chiara Spelta, Sara Rota Nodari, Gianfilippo Alessio Clemente, Federico Scali, Claudia Romeo, Anna Lange-Consiglio, Rosangela Garlappi and Mario Vittorio Luini	Intramammary administration of autologous platelet concentrate in cow dry-off treatment: preliminary data

12.00-13.00

POSTER SESSION

Moderatori:

Prof. Piera Martino

Prof. Andrea Balboni

ID EASYCHAIR	Authors	Title
110	Monica Ambrosio, Francesca Paola Nocera, Emanuela Scandura, Filomena Fiorito and Luisa De Martino	A preliminary study on antimicrobial susceptibility of Staphylococcus spp and Enterococci spp in European wild boar (Sus scrofa) hunted in Campania Region - Italy
206	Piera Anna Martino, Lucrezia Lucchini, Gabriele Meroni and Alessandro Vetere	Microbiological environmental monitoring in veterinary surgical rooms of the city of Milan and its metropolitan area: a pilot study
214	Flora Alfano, Gianluca Miletta, Nicola D'Alessio, Gianvito Lanave, Roberto Scialla, Violetta Vasinioti, Antonietta Anzalone, Claudia Esposito, Martina Levante, Loredana Cozzolino, Esterina De Carlo, Vito Martella, Nicola Decaro and Giovanna Fusco	Emerging Viruses in domestic and wild carnivores, Southern Italy
285	Laura Boriani, Raffaele Claudio Barboni, Alessandro Di Cerbo, Maria Vittoria Alvino, Vincenzo Cuteri and Silvia Preziuso	Genotyping of Hepatitis E virus (Orthohepevirus A) spread in wild boars in the Marche region, Italy
286	Maria Vittoria Alvino, Gilberto Zecchin, Corrado Maria Corradini, Laura Boriani, Rino Spighi, Vincenzo Cuteri and Silvia Preziuso	Bovine coronavirus N gene detection and characterization in cattle: a preliminary study
287	Francesco Mira, Roberto Puleio, Giuseppa Purpari, Santina Di Bella, Giorgia Schirò, Gabriele Chiaramonte, Vincenzo Randazzo, Francesca Licitra, Francesco Antoci, Domenico Vicari and Annalisa Guercio	A cross-sectional study on the canine adenovirus type 1 (CAV-1) infection in Southern Italy

74° Congresso SISVET

Società Italiana delle scienze Veterinarie

257	Elisabetta Mondo, Federica Giacometti, Federica Savini, Raffaele Scarpellini, Federico Tomasello, Marta Pollesel, Andrea Serraino and Silvia Piva	Performance of MALDI-TOF in a University Laboratory of Veterinary Bacteriology
